- Step 7 Door Furniture Options

## Door Furniture Options

### Door Handles

Doors are fitted as standard with a handle which is located on both sides of the door and can be locked from the inside and outside.  
Available in: BLACK, WHITE, CHROME & BRASS

### Door Thresholds

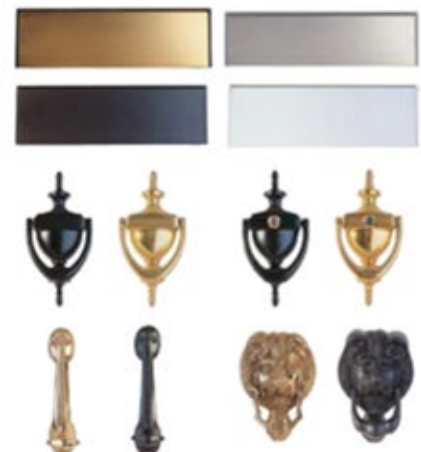

75mm threshold fitted as standard. This is the height of the bottom of the frame. Stormguard threshold is available as an additional extra. Stormguard thresholds comply with Building Regulations Part M(Disabled Access) and have a strong water resistant properties.

### Door Furniture

Letterboxes and door numerals are available in: BLACK, WHITE, CHROME & BRASS

Door knockers are available in a range of four styles: urn knocker, urn knocker with peephole, scroll knocker and lion knocker which are available in BLACK & BRASS

## Colour & Glass Options

### Door Colour Choice

Doors are white inside and coloured outside and mounted on white outerframes as standard with exception of cream doors, which are cream inside and out, with cream outerframe

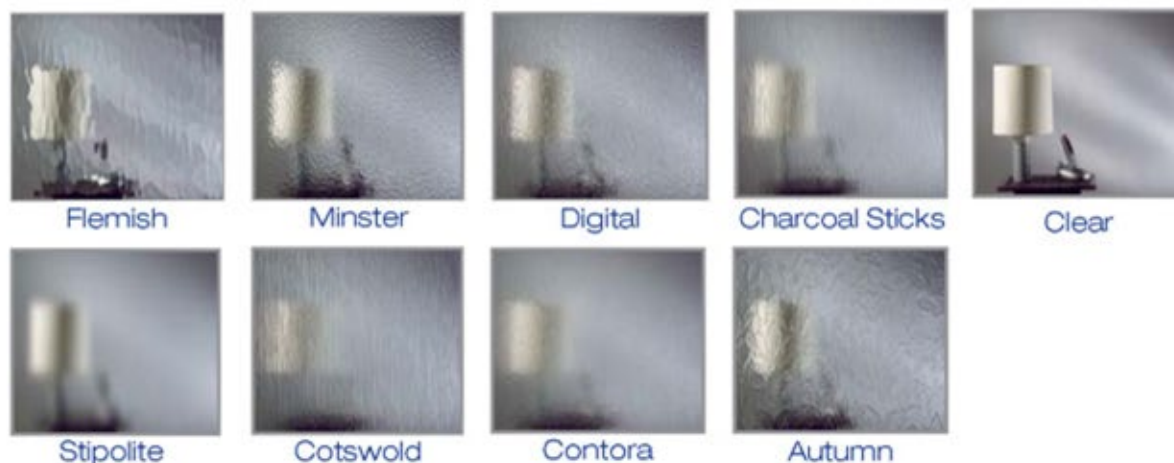

### Glass Designs

Glass designs for each door style are shown later in the catalogue on the relevant door pages. If a glass design features coloured options these will also be referenced.
